QUARTERLY ACTIVITIES REPORT ENDING 30 June 2015

HIGHLIGHTS

- **Exploration commenced by JV partner in Glendambo Project**

Exploration

Exploration conducted in Mulgaria Project in South Australia

During the quarter, Ishine joint venture partner, Inner Mongolia One Geological Mineral Resources Exploration Development Co. Ltd, commenced exploration on Ishine Glendambo Project tenement EL4831 in South Australia

Mulgaria Project is located in Mulgaria area - approx. 85km WSW of Marree (Figure1). Geologists have conducted a site inspection on the exploration licenses area. Based on the field reconnaissance and SARIG magnetic images, a decision has been made to focus on the magnetic anomaly area (Figure 2) located in far right in EL 4831 of Mulgaria Project.

A magnetic survey has been planned and will commence in three months. Other exploration activities including field mapping and soil sampling is in progress, conducted by our geologists. The exploration program for SA Mulgaria project is expected to finish in early August 2015.
