## **QUARTERLY ACTIVITIES REPORT ENDING 30 September 2015**

### **Exploration**

#### **Exploration Planning for Halls Creek Project**

During the quarter, Ishine International Resources Limited (“Ishine”) and joint venture partner, Inner Mongolia Surveying & Drawing Institute, reviewed the upcoming drilling program at Ishine’s Halls Creek Project (E80/4478 and E80/4619).

Management is currently approving the proposed drill locations. The Programme of Work (PoW) has been submitted to the Department of Mines and Petroleum. Our JV partner will commence the drilling program once approved.

#### **Surrender of Tenement**

Ishine has decided to surrender tenement E80/4450 following the withdrawal by the joint venture partners due to the previous unsatisfactory drilling results which containing limited ultramafic stratigraphy and limited host rock.

### **Corporate**

The Board continues reviewing potential new project acquisition opportunities to enhance shareholders value in Ishine.
